3. Aim and Content

The aim of the programme will be to provide substantial theoretical and practical training for teachers working with pupils on the autism spectrum and, thereby, to contribute to the school's overall capacity in this area. A qualification of Graduate Certificate will be awarded by Dublin City University. The programme is one-year, part-time from September 2018 to June 2019, and consists of 5 modules. The course is delivered through distance learning modes, on-site learning at DCU Institute of Education, St Patrick's Campus and considers teachers' practical engagement with pupils in schools. The programme is based on participants being released from their schools for three weeks of the academic year.

The programme will include face-to-face tuition, tutorials and visits to other educational settings to observe examples of exemplary practice. The distance element of the course will include online synchronous and asynchronous engagement (course materials, online lectures and discussion fora).
