**INVITATION TO PRIMARY AND POST-PRIMARY SCHOOLS
IN GAELTACHT LANGUAGE-PLANNING AREAS
TO CONSIDER JOINING THE
GAELTACHT SCHOOL RECOGNITION SCHEME IN 2019**

**PARTICIPATION TO IMPLEMENTATION
(May 2019 - August 2020)**

**TO BOARDS OF MANAGEMENT, PRINCIPALS AND TEACHING STAFF OF PRIMARY AND
POST-PRIMARY SCHOOLS IN GAELTACHT LANGUAGE-PLANNING AREAS, AND TO THE
CHIEF EXECUTIVES OF EDUCATION AND TRAINING BOARDS**

1. Purpose of the Circular

The purpose of this Circular is to notify school authorities of a further opportunity which is being provided by the Department of Education and Skills (Department) to schools in Gaeltacht language-planning areas to join the Gaeltacht School Recognition Scheme (*Scheme*) in 2019.

The Department is committed to providing additional resources to schools that fulfil the language-based criteria to strengthen immersion education in order to gain recognition as a Gaeltacht school under the terms of the *Scheme*. This Circular follows on from Circulars 0033/2017 and 0021/2018 for primary schools and Circulars 0034/2017 and 0022/2018 for post-primary schools, which provide an outline of how the *Scheme* has evolved from April 2017 to April 2019.

Part A of the Circular sets out the steps involved in order to join the *Scheme* in 2019 and the additional supports that will be provided at planning and implementation stages for these schools in 2019/20.

Part B sets out the roles and responsibilities for the co-ordination and implementation of the *Scheme*.

Summary of key points to note:

- The first phase of implementation of the Gaeltacht School Recognition Scheme to strengthen immersion education¹ in schools commenced in September 2018. Schools not currently participating in the Scheme are given a further opportunity to consider joining the *Scheme* in Spring 2019 and additional supports will be fact-tracked to schools.
 - To join the Scheme, a school must complete an *Expression of Interest Form* attached to this Circular.
 - A school opting to participate in the *Scheme* should identify specific improvement targets and actions in its action plan to fulfil the language-based criteria, to strengthen immersion education and extend the use of Irish in order to obtain recognition as a Gaeltacht school.
 - Targeted supports at planning and implementation stage will be provided to support schools joining the *Scheme* including Irish-language support hours, a grant for resources in Irish, additional continuing professional development (CPD) and Inspectorate advisory visits.

[**Appendix 4:**](#) *School Cluster Application Form:* This application form is provided for primary schools in the *Scheme* that wish to cluster or combine their Irish-language support hours and/or special education teaching hours to form shared full-time temporary teaching posts.

[**Appendix 5:**](#) *Sample Action-Planning Template* to assist schools in implementing the language-based criteria to strengthen immersion education.

PART A**1. Joining the Gaeltacht School Recognition Scheme in 2019**

Schools in Gaeltacht language-planning areas not already participating in the *Scheme* are offered a further opportunity to consider entering the *Scheme* in 2019.

¹ In the context of Gaeltacht schools, immersion education refers to the practice of teaching all curriculum areas entirely through the medium of Irish, apart from the English curriculum (and foreign languages curriculums). Early-immersion refers to the practice of implementing a two-year total immersion programme through Irish in infant classes, where English is not taught during this period.

Table 1 provides an overview of the activities and additional supports that will be provided to schools entering the *Scheme* in 2019.

1.1 Expression of Interest to join the Scheme in 2019

The first step for schools entering the *Scheme* involves making the decision to complete the Expression of Interest Form for participation in the *Scheme*. The school's decision to participate in the *Scheme* should be taken following consultation with its patron, teaching staff, parents' association and local language-planning committee and approved by its board of management. In making this decision, the Department urges the school to consider the educational advantages and benefits of immersion education and the opportunity for schools to make a real difference in addressing the current challenges facing the status of Irish as a community language in the Gaeltacht.

Once the decision to join the Scheme in 2019 has been made, the Expression of Interest Form included in [Appendix 3](#) must be completed and returned electronically to aog@education.gov.ie or by post to: An tAonad um Oideachas Gaeltachta, An Roinn Oideachais agus Scileanna, Bloc 3, Sráid Maoilbhride, Baile Átha Cliath 1, D01 RC96 **no later than 11 March 2019**.

1.2 Whole-school action-planning to strengthen immersion education (March to May 2019)

Schools joining the *Scheme* will have a period of time from March to May 2019 to develop an action plan for improvement linked to language-based criteria to strengthen immersion education taking account of its particular school context. The language-based criteria for primary and post-primary schools are provided in [Appendices 1](#) and [2](#) respectively.

The *Scheme* is based on the ongoing development and improvement of immersion education using the school self-evaluation (SSE) process effectively to foster purposeful linkages with the school community and local language-planning committees to extend the use of Irish. The school's action plan will set out how the school will fulfil the language-based criteria to improve immersion education for its first and second language learners of Irish in a phased incremental manner.

School self-evaluation facilitates schools to engage in a cyclical action-planning process that includes regular review. The action-planning process should involve the gathering of evidence, making judgements, setting smart targets, implementing actions, monitoring and reviewing progress against targets and the setting of new targets to strengthen the quality of Irish-medium education.

An example of an action-planning template, to support schools in fulfilling the language-based criteria for recognition as a Gaeltacht primary/special school, is provided in [Appendix 5](#) and at the [LINK](#). Schools may use this template and adapt it to suit its own particular school context. Each school participating in the *Scheme* must submit its action plan to the Department for review **by 31 May 2019**.

Schools participating in the DEIS (Delivering Equality of Opportunity in Schools) programme are required to develop and implement action plans for improvement under the DEIS plan 2017 on specific themes.² Targets and actions in respect of the DEIS themes as well as those linked to language-based criteria related to immersion education, and/or any other priority area(s), should be incorporated into **one clearly-labelled action-planning document**. Schools should create a short summary of the self-evaluation report and school improvement plan and share it with the school community annually.

Following the review of plans, feedback will be provided by the Gaeltacht Education Unit to each school entering the *Scheme*. Schools will be given an opportunity to make any necessary amendments to plans in June 2019. Following the approval of plans, schools will access the additional resources provided by the Department to support the implementation of immersion education from September 2019.

2. Initial supports available to schools new to the *Scheme* during the action-planning phase (March to August 2019)

While working towards the development of an action plan to identify specific improvement targets and actions to meet the language-based criteria to strengthen immersion education, the following additional supports will be provided for schools new to the *Scheme* in the period March to August 2019.

2.1 Initial supports available for primary schools entering the *Scheme* (March to June 2019):

- In the case of primary schools with teaching principals**, two additional release/administrative days with substitution cover will be provided for teaching principals to support the development of an action plan to strengthen immersion education.

In the case of primary schools with administrative principals, two additional release/administrative days with substitution cover will be provided for one member of the teaching staff to support the administrative principal in their action-planning processes.

These release days must be used in the period March to June 2019 for the purpose of progressing the action-planning process.

- Advisory visits from the Inspectorate will provide support and feedback to schools on the action-planning for school improvement process.
- Additional CPD will also be provided by COGG.

2.2 Initial supports available for post-primary schools entering the *Scheme* (March to August 2019):

- In the case of **small post-primary schools** in Gaeltacht language-planning areas with an enrolment of less than 150 students two hours per week per school will be allocated to support the development of an action plan on immersion education.

² DEIS Plan 2017 themes: attendance, retention, progression, literacy and numeracy, leadership, wellbeing, continuing professional development (CPD), transitions, partnership with parents and examination attainment.

- In the case of **medium post-primary schools with an enrolment of 150 – 300 students**, four hours per week will be provided to support the development of an action plan on immersion education.
- In the case of **large post-primary schools** with an enrolment of more than 300 students 5 hours per week will be allocated to support the development of an action plan on immersion education.

3. Additional resources and supports available to schools new to the *Scheme* during the first phase of implementation (September 2019 - August 2020)

Following the approval of schools' action-plans that set out the targets and actions planned to meet the language-based criteria, schools new to the *Scheme* will be eligible to access additional resources and supports in 2019/2020 to help them implement their action plans and address any sociolinguistic challenges that occur.

3.1 Additional supports for primary schools during the first phase of implementation (September 2019 to August 2020):

- **Irish-language support hours:** From September 2019, additional Irish-language support hours will be allocated to primary and post-primary schools participating in the *Scheme* whose action plans to strengthen immersion education have been approved.

Table 2 sets out how the additional Irish-language support hours will be allocated to primary schools participating in the *Scheme*.

TABLE 2: Primary schools participating in the implementation phase of the Gaeltacht School Recognition Scheme

The Irish-language support hours should be used solely to support the identified needs of native speakers and learners of Irish to develop and enrich their proficiency skills in Irish, particularly oral Irish. For guidance on the use of these Irish-language support hours, schools should consult the Department of Education and Skills' publication *Guidance Note for Gaeltacht Primary and Post-Primary Schools - Advisory Visits of the Inspectorate and the Use of Additional Part-Time Hours to Support Irish*. The use of these hours will be monitored during Inspectorate advisory visits.

These Irish-language support hours are automatically approved as part-time hours for schools participating in the *Scheme*. Schools will be expected to manage the allocation of these Irish-language support hours effectively to ensure the maximum benefit for pupils' Irish-language learning.

A group of schools may form a cluster to create a temporary full-time teaching post by combining part-time Irish-language support hours allocated to each school in the cluster. A School Cluster Application Form is available in [Appendix 4](#) and on the Department's website at the [LINK](#).

While the additional hours for Irish-language support under the Gaeltacht School Recognition Scheme and the hours under the Special Education Teaching Allocation will be allocated separately, schools can combine these hours to create a temporary teaching post for the 2019/20 school year. In such cases, combine these hours to create a temporary teaching post for the 2019/2020 school year. In such cases, schools must ensure that the teachers selected for these posts have a high level of proficiency in the Irish language and an understanding of immersion education, and can fulfil the roles of the delivery of the Irish-language support hours, as appropriate. The allocation of the additional Irish-language support hours will be reviewed by the Department in 2020.

3.2 Additional supports for post-primary schools during the first phase of implementation (September 2019 to August 2020):

Table 3 sets out how the additional Irish-language support hours will be allocated to post-primary schools participating in the *Scheme*.

TABLE 3: Post-primary schools participating in the implementation phase of the Gaeltacht School Recognition Scheme	
Post-primary school enrolment	Number of additional Irish-language support hours per week for 2019/20

>300	10

The Irish-language support hours should be used solely to support the identified needs of native speakers and Irish-language learners to develop and enrich their proficiency skills in Irish, particularly oral Irish. For guidance on the use of these Irish-language support hours, schools should consult the Department of Education and Skills' publication [*Guidance Note for Gaeltacht Primary and Post-Primary Schools - Advisory Visits of the Inspectorate and the Use of Additional Part-Time Hours to Support Irish*](#). The use of these additional Irish-language support hours will be monitored during Inspectorate advisory visits and they will be reviewed by the Department in 2020.

The Irish-language support hours will be allocated to post-primary schools on the Staffing Schedule and schools will be expected to manage the allocation of these Irish-language support hours effectively to ensure the maximum benefit for pupils' Irish-language learning.

From September 2019, where a post-primary school is in a supernumerary position and a teacher is awarded a contract of indefinite duration (CID) as a result of the school's allocation for the Gaeltacht Recognition Scheme, the CID hours will be offset against the Gaeltacht Recognition allocation.

- **Grant allocation:** In June 2019, a grant of €1,200 will be paid to schools participating in the *Scheme*. The grant is allocated for the purchase of resources in Irish to support the provision of high-quality immersion education. A list of resources in Irish can be accessed on An Chomhairle um Oideachas Gaeltachta agus Gaelscolaíochta website at www.cogg.ie

Schools are required to retain all receipts and records of expenditure incurred for audit purposes in accordance with public procurement and financial procedures (see provisions of Department of Public Expenditure and Reform: Circular 13/2014). School authorities must also ensure that the

requirements of the Department of Public Expenditure and Reform and the Department of Education and Skills are met in the public procurement, usage and disposal of assets.

- **Continuing Professional Development (CPD):** Schools participating in the *Scheme* will be provided with additional CPD co-ordinated by COGG in conjunction with relevant support services and the Inspectorate. Where necessary, and as resources permit, substitution cover for attendance at seminars/workshops will be provided through the Online Claims System (OLCS) up to a maximum of 2 days for 2 attendees in participating schools in 2019/20. These days may be claimed from the OLCS by selecting the following: *Continuing Professional Development/Professional Activities - Gaeltacht Education Policy/Polasaí um Oideachas Gaeltachta*. It is intended that there will be one day school closure in 2019/2020 for each school participating in the *Scheme* to enable all teaching staff attend the CPD provided. Details in relation to CPD plans for schools participating in the *Scheme* will be provided by COGG.
- **Inspectorate Support:** Inspectors will conduct advisory visits to support schools participating in the *Scheme* in the implementation and ongoing review of targets set and actions taken to fulfil the Irish-language based criteria to strengthen immersion education.
- **Indicators of Good Practice in Immersion Education: Draft Guide for Gaeltacht Primary Schools (2018) and Indicators of Good Practice in Immersion Education: Draft Guide for Gaeltacht Post-Primary Schools (2018):** The Guides provide practical support for primary and post-primary schools in implementing immersion education. The Guides can be used to:
 - reflect on teaching and learning practices through the medium of Irish
 - guide professional discussion on learning, teaching, management and leadership in relation to the implementation of immersion education
 - affirm good practice in immersion education
 - identify targets and actions to fulfil the language-based criteria for immersion education.

The Good-Practice Guides will be revised in 2019 and will take account of feedback from schools and education partners.

Is féidir an teimpléad a chóipeáil de réir mar is gá, ag brath ar líon na gcritéar teanga agus líon na spriocanna atá á chur i bhfeidhm sa tréimhse ama ar leith. Moltar plean a dhearadh do bhliaín amháin ar dtús le go bhfeicfear an dul chun cinn atá déanta taobh istigh den tréimhse ama sin. Cé gur gá don scoil gach citéar teanga a bhaint amach chun aitheantas mar scoil Ghaeltachta a fháil, is de réir a chéile a dhéanfar an obair chuige sin. Ní gá don scoil pleanaíl a dhéanamh do gach gach critéar teanga a chur i bhfeidhm ag túis an phróisis. Leag amach go hachomair na sainghníomhartha atá molta ar mhaithle leis na spriocanna ginearálta thusa a bhaint amach.
