Circular 1/77

Referring of certain Draft Legislation to the Comptroller and Auditor General

A Dhuine Uasail

I am directed by the Minister for Finance to refer to this Department's Circular 12/66 regarding consultation with the Comptroller and Auditor General on certain draft legislation. It has been brought to the attention of the Minister that the Circular is not being complied with by all Departments.

I am to request that steps be taken to ensure that, in future, any draft legislation which provides for the preparation or auditing of accounts or which contains a reference to the Comptroller and Auditor General be referred to him for his observations.

Mise, le meas
