***Re: Subsistence Allowance Abroad – 1<sup>st</sup> January 2010.***

The standard rates of subsistence allowance abroad have been reviewed by the Minister for Health & Children for employees travelling abroad on official business. The revised rates, with effect from 1<sup>st</sup> January 2010, are set out in the attached appendix.

Payment of the rates authorised in this circular will be subject to the relevant regulations and any other instructions in force from time to time.

Line Managers should continue to ensure that only essential travel is undertaken and that the number of staff on any official journey is kept to a minimum.

Please arrange for these revisions to be brought to the attention of all appropriate personnel. Costs fall to be met within approved allocations.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Séan McGrath', written over a horizontal line.

**Séan McGrath,  
National Director of Human Resources.**
