Re: HSE Long Term Absence Benefit Schemes Guidelines

Dear Colleagues

I am pleased to attach a link below to the HSE Long Term Absence Benefit Schemes Guidelines, which are available on the HSE intranet and website. These Guidelines build on the suite of HR tools available to assist in managers in the employee management aspect of their roles.

The purpose of these Guidelines is to set out the provisions pertaining to the Serious Physical Assault Schemes, Injury Grant Schemes and Pension Rate of Pay. These Guidelines also set out the procedures that should be adhered to when managing the implementation of schemes and include reference to TB and the extension of sick leave scheme, MRSA and the extension of sick leave scheme and blood borne disease. The purpose of these procedures is to ensure consistent management of the long term absence benefit schemes, together with providing clarity on the roles and responsibilities of all parties.

The Guidelines, which were agreed with the health services trade unions through the National Joint Council, should be read in conjunction with the HSE's Managing Attendance Policy and Procedure, the Rehabilitation of Employees Back to Work after Illness or Injury Policy and any other relevant HR policies and procedures.
