Re: Unified Career Structure, Audiology Staff

Dear Colleagues,

I refer to the recommendation of the National Review of Audiology Service and specifically the recommendation regarding the restructuring of Audiology careers into a unified career structure and pay scale.

The Department of Health have now sanctioned the new career structure which provides for the following grades in Audiology services.

1. Assistant Audiologist,
2. Staff Grade Audiologist
3. Senior Audiologist
4. Clinical Specialist Audiologist

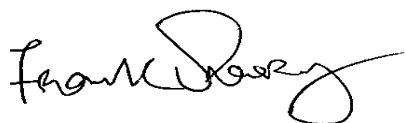

The salary scales to apply to the two newly created grades are as follows;

- **Assistant Audiologist** – (same scale as Physiotherapy assistant)
 - 28,420, 29,083, 29,809, 30,554, 31,319, 32,102, 32,906
 - New Entrants – 25,578, 26,175, 26,828, 27,498, 28,187, 28,892, 29,616
- **Clinical Specialist Audiologist** - €45,792, €47,043, €48,321, €50,950, €53,664, €56,402
- **Staff Grade Audiologist and Senior Audiologist** will be paid according to the current pay scales for Audiologist and Senior Audiologist. Please note that the 10% reduction effective

from 1 January 2011 must be applied to the relevant grades as per the Department of Health's current consolidated salary scales.

It should be clearly understood that the recruitment of additional personnel must take account of the HSE's overall financial position and the Employment Control Framework for 2013

Yours sincerely

Mr. Frank O'Leary
A/ National Director of Human Resources.
