Re: Hospital Group Directors of Nursing and Midwifery

Dear Ms Mannion,

I refer to the business case submitted last August in which you sought approval to upgrade the position and the rate of pay for Hospital Group Directors of Nursing and Midwifery to a level equating to Assistant National Director in the HSE.

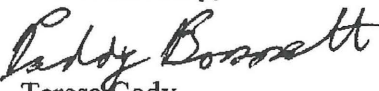

This Department sought approval from the Department of Public Expenditure and Reform (DPER) for an upgrading to reflect the responsibility and accountability involved; sanction has now been provided to upgrade the Group Director of Nursing and Midwifery Post and the related salary to an equivalent rate of pay as that of HSE Assistant National Director (salary of €90,514 - €110,183).

The sanction provides that the revised rates are to take effect from 1st January 2017. The interim award of €600 per month shall cease on the 31st December 2016 and the Hospital Group Directors of Nursing and Midwifery should be assimilated to the first point of the new salary scale for "Hospital Group Director of Nursing and Midwifery" (AND equivalent) with effect from 1st January 2017 as follows:

Grade	1	2	3	4	5	6
Hospital Group Director of Nursing & Midwifery	€90,514	€94,448	€98,382	€102,314	€106,250	€110,183

Please ensure that this circular is brought to the attention of all necessary staff.

Yours sincerely,

PP- Teresa Cody
Assistant Secretary
