Re: HR Circular 009/2017 – Subsistence Allowance Abroad

Dear Colleagues,

I wish to confirm that the Department of Health have advised of the approval of the Minister for Public Expenditure and Reform of the revision of rates of subsistence allowance payable to civil and public servants in respect of absences aboard on official business (DOH circular 7/2017 refers).

The revised rates will apply with effect from 1st April 2017.

The precise arrangements for applicability of these revised rates are set out in attached letter of March 6th from Department of Public Expenditure and Reform (DPE126/008/2015 refers) and accompanying appendices 1 and 2.

In respect of same, the following should be noted:

- a) In accordance with changes in the Domestic Subsistence and reflecting requirements for official foreign travel, the Class “B” rate for foreign travel will no longer be used.

- b) The rate formerly referred to as the “Conference Rate” has now been renamed the Vouched Accommodation (VA) rate. The Vouched Accommodation rate consists of the vouched costs of accommodation plus the rate listed in the “VA Rate” column.

Officers should continue to observe all instructions in forces from time to time relating to Foreign Travel and Subsistence.

All queries with regard to the contents of this Circular should be to Advisory Services, HSE CERS, 63-64 Adelaide Road, Dublin 2. 01 6626966, info.t@hse.ie

Please ensure that the contents of this Circular and accompanying appendices are notified to all relevant personnel within your agency or employment.

Yours sincerely,

Rosarii Mannion,
National Director of Human Resources.

Circular 05/2017: Motor Travel Rates

A Dhuine Uasail

1. I am directed by the Minister for Public Expenditure and Reform to say that he has accepted an agreed recommendation of the General Council under the scheme of Conciliation and Arbitration for the Civil Service in regard to a general review of the arrangements applying to motor mileage rates for civil servants.

Revised Arrangements

2. The previous system of rates and mileage bands in place since January 1999 has been reviewed in the context of modern motoring needs and conditions. The revised rates are based on a methodology that reflects changes in technology, road conditions, commuter behaviour, and car ownership patterns.

Some of the key changes made to the formula include:

- a. An increase in the number of distance bands from two to four allowing a more nuanced compensation regime focused on officers who do significant work related driving;
- b. A lower recoupment rate for the first 1,500km;
- c. An increased recoupment rate from 1,501km to 5,500 focussed on officers who do significant work related driving;
- d. More beneficial compensation rates for cars with lower engine sizes and emissions;
- e. The formula for calculating mileage now assumes an officer replaces their car every four years rather than every three years.
- f. The Government's National Policy on Climate Action commits to the development of a cost effective policy for reducing carbon emissions and increasing efficiency within the transport sector. The importance of encouraging officers to choose more environmentally-friendly vehicles and methods of travel is noted and future arrangements will move progressively in this direction in subsequent revisions of the mileage formula.

3. Details of the new arrangements are set out in Appendix 1 of this Circular and will apply from 1st April 2017.
4. The amount of mileage accumulated by officers between 1st January 2017 and 1st April 2017 will not be altered by the introduction of these new bands and rates. Mileage to date will, however, count towards aggregated mileage for the year.
For example, an officer driving a car in the '1200-1500cc' engine size who had claimed 1,400km on 1st April 2017 would then move to the new Band 1 and receive 39.86 cent per kilometre. Once they have driven a further 100km, they would then move to Band 2 and receive 73.21 cent per kilometre.
5. All mileage claims in respect of the period 1st January 2017 to 31st March 2017 should be made **before** 31st March 2017.
6. The rates listed in the Appendix to this Circular will be locked in for a period of three years. It is this Department's intention that any future review of this formula will include a five year replacement rate, in order to take account of increased efficiencies and improvements in motor technology.
7. Payment of the rates authorised in this Circular will be subject to the regulations issued in Circular 11/1982 and any other instructions in force from time to time.
8. Heads of Departments should continue to ensure that only essential travel is undertaken and that the number of officers on any official journey is kept to the absolute minimum.
9. This circular should be brought to the attention of all bodies under the aegis of your Department or Office and all officers in your Department or Office who are responsible for travel.
10. **Personal enquiries from individual officers should be addressed to the Personnel Unit of the employing Department/Office.** Any enquiries about this Circular from Departments should be emailed to Travel.Policy@per.gov.ie. This Circular is also available on the Department's website at www.circulars.gov.ie.

Circular 06/2017: Domestic Subsistence Allowances

A Dhuine Uasail

1. I am directed by the Minister for Public Expenditure and Reform to refer to the standard rates of subsistence allowance in Ireland which have been reviewed in accordance with an agreed recommendation made by the General Council under the scheme of conciliation and arbitration for the Civil Service.

Standard Domestic Subsistence Rates

2. The Minister has agreed that the following changes will be made to the rates, with effect from 1st April 2017. The revised rates are specified in the schedule at Appendix 1.
3. In accordance with the agreed procedures and in line with changes to the Consumer Price Index (CPI), the standard overnight rate has been increased, while both day rates remain unchanged.

Vouched Accommodation (“VA”) Rate for Dublin

4. In recognition of difficulties in sourcing suitable accommodation in Dublin within the standard rate, it has been agreed that, with effect from 1st April 2017, a separate Vouched Accommodation (“VA”) rate may apply where officers are claiming an overnight allowance in Dublin.
5. In such cases, a Vouched Accommodation Rate consisting of the **vouched** costs of accommodation up to a limit of the standard overnight rate (€133.73) plus the appropriate day rate for the officer’s meals, may be claimed.
6. In accordance with existing policy, where an officer sources accommodation that exceeds the cost of the standard overnight rate or vouched accommodation rate as appropriate, they will be solely responsible for meeting the additional accommodation expense. Officers’ attention is drawn to Paragraph 3 of Circular 11/1982: Travelling and Subsistence Regulations which states that the ‘subsistence allowance payable is not intended to meet the whole cost of subsistence’.

Circular 07/2017: Subsistence Allowances Abroad

A Dhuine Uasail

1. I am directed by the Minister for Public Expenditure and Reform to refer to the revision of rates of subsistence allowance payable to civil servants in respect of absences abroad on official business, as set out in the Appendices 1 and 2 to this Circular.
2. The revised rates will come into effect from 1st April 2017.
3. In accordance with changes in the Domestic Subsistence and reflecting modern requirements for official foreign travel, the Class 'B' rate for foreign subsistence will no longer be used.
4. The rate formerly referred to as the "Conference Rate" has now been renamed the Vouched Accommodation ("VA") Rate. The Vouched Accommodation rate consists of the vouched costs of accommodation plus the rate listed in the "VA Rate" column.
5. In most circumstances, the "Overnight Rate" in respect of accommodation and three meals will apply. However, the use of the Vouched Accommodation Rate may be justified in certain cases. Officers should familiarise themselves with their Department's / Office's guidelines on when the VA Rate may be claimed in the first instance. Examples of such cases may include:
 - a. In all cases where travel is to Brussels on overnight visits;
 - b. Where accommodation is provided at no cost to the officer;
 - c. Where the Department/Office sources reasonably-priced accommodation on behalf of the officer through a travel provider;
6. Officers should continue to observe all instructions in force from time to time relating to Foreign Travel and Subsistence, most recently the Department of Finance Foreign Travel Policy Guidelines issued in 2009.

7. Expenditure on travel and subsistence must continue to be strictly appraised and monitored. Officers who travel abroad should limit reimbursable expenditure to the minimum consistent with the requirements of the visit. Heads of Departments should continue to ensure that only essential travel is undertaken and that the number of officers on any official journey is kept to the absolute minimum.
8. This circular should be brought to the attention of all bodies under the aegis of your Department or Office and all officers in your Department or Office who are responsible for foreign travel.
9. **Enquiries from individual officers in respect of this circular or enquiries regarding rates applicable to locations which are not listed in the Appendices should be addressed to the HR Unit of the employing Department/Office in the first instance.** Any enquiries about the application of this Circular from Departments should be emailed to Travel.Policy@per.gov.ie. This Circular is also available on www.circulars.gov.ie.
