Dear Colleagues,

Please find enclosed a copy of Department of Health Circular 4/2018 (**Appendix A**) in relation to certain changes to the Critical Illness Protocol (CIP). These changes were agreed as part of the current review of the operation of the public service sick leave scheme which is being conducted by the Department of Public Expenditure and Reform in consultation with the Public Service Unions. These changes are to take effect from 31st March 2018.

In accordance with Section 2.3 of the Department of Health Circular, the attached **Management Discretion Guidelines (Appendix B)** have been customised for the public health service and should be read in conjunction with this Circular.

In addition, a **Frequently Asked Questions (FAQ)** guidance document which outlines the changes in question format is attached (**Appendix C**).

Please ensure that the contents of this Circular and related documents are brought to the attention of all relevant staff in your area of responsibility.
