

Circular 59/2009

DEPARTMENT OF EDUCATION AND SCIENCE

To: The Vocational Education Committees

I am writing to advise you that following discussions that took place under the terms of the Towards 2016 Agreement between the vocational education committees, the teacher unions and the Department of Education & Science, revised procedures in relation to professional competence issues and general disciplinary matters have been agreed.

These revised procedures, which take effect from a current date, are available on the Department's website.

I would be obliged if you would arrange to have these brought to the attention of Principals and teachers in the normal way.

Kind regards,

Pat Burke
Assistant Secretary General
