6. Eligibility

Please note that all teachers must be registered in accordance with Section 31 of the Teaching Council Act, 2001. Please refer to the Teaching Council website www.teachingcouncil.ie for further information.

This programme is open to all serving teachers who are employed in a position funded by the Department of Education and Skills and who provide Learning Support and/or Resource Teaching in recognised Primary schools, Post-Primary schools, and other recognised Educational Services. Teachers serving in special schools and special classes are also eligible to apply. **The programme is designed specifically to assist teachers in meeting the learning and teaching needs of students requiring learning support and/or students with special educational needs. Potential applicants must therefore have a teaching role in relation to students requiring learning support and/or students with special educational needs.** Please refer to the circulars listed in Appendix 1 for information on the qualifications necessary for Learning Support/ Resource Teaching posts at Primary and Post-Primary levels and qualifications necessary to teach in Special Schools.

Please note that in order for teachers to be eligible to take up a place or continue on the course the necessary hours and facilities to enable full participation must be provided in their own school setting. It is particularly important that teachers participating in the Programme are given a work-load which will permit them to benefit fully from the continuing professional development being offered.

(a) **Primary:**

Teachers will be required to forward a copy of their Registration Certificate or Confirmation of Registration letter¹ from the Teaching Council, when submitting their application form. If the “Education Sector(s)” field is blank, teachers will be required to provide evidence that they have qualifications suitable to teach in either the mainstream primary sector or to teach students with special educational needs or students requiring learning support in the primary sector.

Applicants from Primary Schools should have successfully completed their probationary period in accordance with the requirements as set out by the Teaching Council in their new publication *Procedures for Induction and Procedures and Criteria for Probation* and hold a position in a sanctioned post in an area of special education or learning support, or be taking up such posts in September 2016. For the purpose of the course, teachers will need to deliver a range of programmes related to the learning and teaching of students with special educational needs and/or those requiring learning support.² Teachers’ timetables must also include periods during which they are working with small groups of students. Collaborative practices, such as team-teaching, can also form a part of these arrangements.

(b) **Post Primary**

Teachers will be required to forward a copy of their Registration Certificate or Confirmation of Registration letter (see footnote 1 below) from the Teaching Council, when submitting their application form. If the “Education Sector(s)” field is blank, teachers will be required to provide evidence that they have qualifications suitable to teach in either the mainstream post-primary sector or to teach students with special educational needs or students requiring learning support in the post-primary sector.

Applicants from Post-Primary Schools should have successfully completed their Induction and Post Qualification Employment (PQE).

Learning Support Teachers

Qualified teachers who are assigned to Learning Support work should provide support for pupils requiring learning support for a **minimum** of 11 hours per week including in-class support. At least four class periods should be allocated to teaching individuals or groups of not more than six students. Additional time should also be made available for consultation with parents/guardians and colleagues. Together with work in numeracy, assigned Learning Support hours **must** include at least 4 class periods per week of literacy work (maintaining a focus on developing pupils’ literacy skills related to reading, writing, listening and speaking rather than focusing on language-based subject areas such as History/Geography).

Resource Teachers

Applications are invited from recognised second-level schools/centres that have been allocated resource posts or resource hours or officially sanctioned special classes. The person nominated must be a teacher eligible to hold a permanent post in recognised second level schools. In order to be eligible for the programme, teachers must spend a **minimum** of 11 hours per week including in-class support working with students who have special educational needs. For the purpose of the course, teachers will need to deliver a range of programmes related to the learning and teaching of students with special educational needs and/or those requiring learning support across the curriculum.

Teachers’ timetables must also include periods during which they are working with small groups of students. Collaborative practices, such as team-teaching, can also form a part of these arrangements.

¹ Confirmation of Registration letter is available to download from the Registered Teacher Login Facility on the Teaching Council website www.teachingcouncil.ie

The DES Circular SP ED 08/02 should be interpreted in accordance with the terms of circular SP 02/05. Please note that the General Allocation Model is not currently applicable at post-primary level.

(c) **Special Schools**

Teachers will be required to forward a copy of their Registration Certificate or Confirmation of Registration letter (see footnote 1 on page 4) from the Teaching Council, when submitting their application form. If the “Education Sector(s)” field is blank teachers will be required to provide evidence that they have qualifications suitable to teach either in the mainstream primary or post-primary sectors or to teach students with special educational needs or students requiring learning support in the primary or post-primary sector or to teach in special school settings.

Applicants from Special Schools should have successfully completed their probationary period in accordance with the requirements as set out by the Teaching Council in their new publication Procedures for Induction and Procedures and Criteria for Probation and hold a sanctioned post in a Special School or be taking up such posts in September 2016.

(d) **Other Educational Service**

Teachers will be required to forward a copy of their Registration Certificate or Confirmation of Registration letter (see footnote 1 on page 4) from the Teaching Council, when submitting their application form. If the “Education Sector(s)” field is blank teachers will be required to provide evidence that they have qualifications suitable to teach either in the mainstream primary or post-primary sectors or to teach students with special educational needs or students requiring learning support in the primary or post-primary sectors.

Applicants must have successfully completed their Induction and probationary period/PQE in accordance with Teaching Council requirements and be recognised as being eligible for permanent appointment in a primary, post-primary or special school. Applications are invited from qualified teachers employed by ETBs as literacy and/or numeracy tutors in Youthreach, Community Projects or in the Prison Service and who are assigned to Learning Support work for a **minimum** of 11 hours per week. At least four class periods should be allocated to teaching individuals or groups of not more than six students. Additional time should also be made available for consultation with parents/guardians and colleagues. Together with work in numeracy, assigned Learning Support hours **must** include at least 4 class periods per week of literacy work.

Candidates should note that evidence of having completed Garda vetting is required for participation in the course.

7. **Applications and Selection**

Applications must be returned to the College or University of choice by 5pm on 29th of February 2016.

Applicants should retain evidence of postage.

Priority will be given to teachers who meet the criteria and who have not already attended a similar post-graduate programme for Learning Support teachers or teachers of students with special educational needs recognised by the Department of Education and Skills.

Generally, only one application per School/Centre will be considered.

Candidates should note that some institutions require applicants to attend for interview.

It is intended that, on those programmes which accept primary and post-primary teachers, an equal number of places will be allocated to each group but the ratio may be modified in response to demand and local circumstances.

The selection of participants from the eligible applicants will be a matter for the College/University authorities.

8. **Programme Fees**

No fee or registration charges will apply for applicants eligible under the terms of this Circular.

9. **Extra Personal Vacation**

No extra personal vacation will be allowed in respect of attendance at the Programme.

10. **Substitution**

Substitution, which must be approved by the managerial authority of the school/ETB, will be allowed. The substitution must be deemed necessary to cover the approved periods of absence of the teacher from teaching duty for attendance at the course. Documentation from the College/University specifying the absence details must be retained by the school. **It should be noted that paid substitution cover will not be provided by the Department of Education and Skills where a teacher takes personal leave during the block release element of the programme.**

11. **Salary Arrangements**

All teachers on block release under the terms of this Programme will continue to receive their salary in the usual way.

Please note that successful completion of this programme will not result in any entitlement to additional remuneration from the Department of Education and Skills.

12. **Travel and Subsistence**

Please note that there will be **no** reimbursement of any travel or subsistence expenses incurred by participants in the Programme which is the subject of this Circular.

13. **Masters Programme**

Those who successfully complete the Combined Post-Graduate Diploma Programme of Continuing Professional Development for Teachers involved in Learning Support and Special Education, and who meet entry requirements, are eligible to seek admission to a Masters Programme provided through the institutions listed in section 1 of this Circular. Further information is available on individual institutions' websites, details of which are available at Appendix 2.
