Part 2

Criterion C – Developing Post based on Additional Enrolments after 30 September 2018

(For October 2018 Appeals Board Meeting Only)

This criterion applies only to those schools provisionally sanctioned for a developing post(s) which did not reach sufficient enrolments on 30 September 2018 to retain the post. As this criterion relates to verification of actual enrolment on 30 September 2018, the Appeals Board can only consider appeals under this criterion at the October Appeals Board meeting.

Where the Board considers that, in relation to the granting of a post under the developing school criterion, the projected pupil numbers required to retain the post were enrolled or are likely to be enrolled by the last day of term in December 2018, but due to circumstances outside the control of the school were not enrolled as expected on 30 September 2018, it may grant an appeal post.

A post allocated by the Board under this criterion will be sanctioned on a provisional basis subject to confirmation of the required enrolment being achieved by the last day of term in December 2018.

1. Required enrolment on 30 September 2018 for retention of developing post: __________

2. Enrolment achieved on 30 September 2018: __________

3. Why was the required enrolment as projected not achieved on 30 September 2018?
   __________________________________________________________________________
   __________________________________________________________________________
   __________________________________________________________________________

4. Provide details of the pupils expected to enrol and reason they were not enrolled in school on 30 September 2018:
   __________________________________________________________________________
   __________________________________________________________________________
   __________________________________________________________________________
5. In relation to each pupil who will be enrolled after 30 September and who are being counted as part of this appeal, the documents at (a) and (b) below must be provided:

   (a) A letter from the parents / enrolment form stating the expecting date of enrolment of the pupil(s).

   and

   (b) A letter from the school(s) where the pupil(s) was previously enrolled in on 30 September 2018 verifying that he/she is not required to be counted as part of the school's valid enrolment for the appointment or retention of a teacher. For staffing purposes a pupil can be included in the enrolment of just one school in any school year. The Appeals Board will consider allowing the pupil to be counted as part of the enrolment for staffing purposes in the school to which s/he transferred.

   or

   A letter from each child’s parent/guardian stating that the child was not enrolled in any other school on 30 September 2018.
