## Part 2

### Criterion E – Small Schools

As part of Budget 2012 measures, the pupil thresholds in small schools were increased. This appeals criterion is applicable to these schools and they may submit an appeal in either of two instances:

1. Where a school with **four classroom teachers or less** which is losing a classroom post for the 2018/19 school year provides supported evidence that the enrolment will increase sufficiently by 30 September 2018 to retain the post for the subsequent school year (i.e. the 2019/20 school year) the Appeals Board can allow the school to retain the classroom post.

or

2. Where a school with **three classroom teachers or less** is not gaining a classroom post for the 2018/19 school year but can provide evidence that it will gain the additional classroom post for the subsequent school year (i.e. the 2019/20 school year), the Appeals Board can allow the school to gain a post for the 2018/19 school year.

or

3. Where a school that is due to have **1 classroom teacher** for the 2018/19 school year based on the current staffing schedule but is projecting an enrolment of at least 15 pupils for 30 September 2018 and has at least 6 class groupings, the Appeals Board can allow the school to gain/retain a post for the 2018/19 school year.
