Section One

HSCL Coordinator posts in DEIS Schools

1. HSCL Allocation to schools

Delivering Equality of Opportunity in Schools (DEIS) is the Department of Education and Skills' main policy initiative to tackle educational disadvantage, using a dynamic and data-based model of identifying levels of disadvantage within school populations to ensure that the level of resource allocated to schools closely aligns with the level of identified need. The DEIS Plan 2017 sets out the Department of Education and Skills' vision for future intervention in the critical area of social inclusion in education policy.

HSCL Coordinator posts are full-time posts allocated to DEIS (urban primary and post primary) schools. Some HSCL posts are allocated on a shared basis between DEIS schools (in cluster groups) and can be shared across the two sectors: primary and post primary level.

The person appointed to the HSCL role must be an existing member of the teaching staff in the school/one of the schools in the cluster. The HSCL duties must be undertaken on a full-time basis only and cannot be combined with other teaching roles. This is to avoid any potential conflict of interest (which could arise) between the roles of teacher and HSCL Coordinator in relation to the student.

The HSCL role also requires the flexibility to undertake the range of duties required of the post, without the restriction of teaching/class.

2. Base School for the HSCL post

The base school for the HSCL Coordinator post is automatically deemed to be the base school in which the successful applicant is currently teaching. Therefore, the base school or regional ETB (where relevant) is considered the Employer of the HSCL Coordinator.

3. Duration of Assignment to the HSCL Coordinator post

A teacher shall be assigned to the post of HSCL Coordinator for **a maximum of 5 years to be completed on the 31st August of the fifth year. All assignments are subject to the HSCL allocation to the school(s), by the Department.**

It is a requirement that the HSCL Coordinator post be opened to application to eligible staff in the school(s) every 5 years.

HSCL posts are opened to application in order to provide eligible staff members with the opportunity to gain greater insight into educational disadvantage. Working as a HSCL

provides teaching staff with an understanding of the background, family and community life of the children they teach. HSCL Coordinators returning to a teaching position bring this experience to their teaching role.

Whilst serving in the role of HSCL, all HSCL Coordinators continue to avail of appropriate in-career development and training, to facilitate their readiness to resume teaching duties.

The cluster of schools served by the HSCL Coordinator and the HSCL allocation to schools may be subject to change by the Department during the period of this assignment.

Having served the maximum period of 5 years allowed in the post, the existing HSCL Coordinator may not re-apply immediately for the HSCL Coordinator position. A HSCL Coordinator must vacate the HSCL position for a minimum period of 3 years before he/she is eligible to re-apply for the HSCL post.

4. Appointment of a Replacement Teacher

A teacher assigned to the post of HSCL Coordinator, may be replaced by the base school in accordance with current rules for teacher recruitment. He/she shall be offered a specified purpose (fixed-term) contract.

For information relating to Contract of Indefinite Duration (CID) entitlements see Circular 0023/2015 and Circular 24/2015.

Section Two

Assignment Process for the HSCL Coordinator

1. Eligibility Requirements

Applicants for the position of Home School Community Liaison Coordinator must:

- a. be a member of the teaching staff of the school(s) in the HSCL cluster
- b. have a minimum of **two years** teaching service recognised by the Department/ETB for incremental credit purposes
- c. be registered with the Teaching Council
- d. have satisfied all conditions of that registration as per Section 31 of the Teaching Council Act 2001¹.

A substitute teacher is not eligible to apply.

All permanent, fixed-term, full-time, part-time and job sharing fully registered teachers in the school(s) are eligible to apply for the post of HSCL Coordinator regardless of employment status. The Protection of Employees (Fixed-Term Work) Act 2003 and the Protection of Employees (Part-Time Work) Act 2001 refers. **Please note that the HSCL position is a full-time position only.**

Cognisant of the critical role of the Principal and Deputy Principal in the overall management of a school;

- (i) a Principal shall not undertake the duties of a HSCL Coordinator and is not eligible to apply for the HSCL post.
- (ii) a Deputy Principal may undertake the duties of a HSCL Coordinator provided s/he temporarily relinquishes his/her post of responsibility allowance and an acting post holder may be appointed.

An Assistant Principal I and Assistant Principal II may apply for the post of HSCL whether shared or otherwise. However, before making such assignments, the Employer must be satisfied that, in addition to fully undertaking the HSCL post, the HSCL Coordinator can competently and efficiently discharge the post of responsibility roles and responsibilities. The

¹ The registration of teachers is governed by Section 31 of the Teaching Council Acts 2001-2015. The Council registers teachers under the **Teaching Council [Registration] Regulations 2016** and **The Teaching Council [Registration] (Amendment) Regulations 2016**.

employer must also be satisfied that the nature of the post of responsibility will not impinge on the ability of the HSCL Coordinator to build positive relationships with parents. The teacher must be required to confirm his/her agreement to this in the manner set out in the Letter of Assignment (See Sample Letter of Assignment at Appendix C).

In the case of all applicants, the BOM/ETB of each school involved in a cluster must ensure that an applicant from their respective school satisfies the eligibility criteria before he/she is permitted to progress to interview stage.

2. Advertisement of the HSCL Post

The post of HSCL Coordinator must always be advertised internally in all schools in the cluster as the HSCL Coordinator is appointed from the staff of the school(s) in the HSCL cluster (see Appendix A).

Where two or more schools share a HSCL Coordinator post, the Principals and BOM/ETB of each school in the cluster should agree in advance the initiation of the assignment process as outlined in this circular.

Notice of any vacant post shall be posted in a prominent position on the staff notice board(s) within the school(s). The notice shall specify the closing date for receipt of applications which should not be earlier than 10 school days after the initial date of posting of the notice in the school. The notice should remain on the notice board until the closing date for applications has passed.

Members of staff on approved paid or unpaid leave of absence or on secondment, are eligible to apply and, therefore, a copy of the advertisement for the vacant post shall be sent directly to the designated contact addresses or email addresses of such teachers.

The notice shall state:

- the latest date for receipt of letter of application. This date shall not be earlier than ten school days from the last date of the posting of the notice. The period of ten school days includes the last day of the posting of the notice.
- the roles and responsibilities attaching to the post (as contained in Appendix F of this Circular).
- a Curriculum Vitae should be submitted.
- whether reports or other documentary information are required.

No details should be requested that might be construed as being discriminatory on any of the grounds prohibited by the Employment Equality Acts 1998-2015 (i.e. gender, civil status, family status, sexual orientation, religious belief, age, race, disability or membership of the Traveller community).

Where no teacher(s) in the school(s) applies for the post or where there is a difficulty in attracting a staff member to the position, the school should immediately contact and enlist the support of the relevant Tusla EWS Integrated Services Manager, to facilitate and inform staff development on the issue, offer clarification, address concerns etc (see Appendix B for contact details).

3. The Selection Process

An interview for the post must be held even in the case of there being only one applicant. An interview board must be constituted for this purpose. As with any teaching assignment, relevant Department Circulars in terms of recruitment/redeployment should be observed in the assignment of a HSCL Coordinator. Where the HSCL post is shared, the schools must agree on the recruitment process in accordance with the circular.

The eligibility of the applicant to apply for the post must be confirmed by their school in advance of the interview process.

Under no circumstances should a teacher be assigned to the HSCL role on a temporary basis pending the completion of the interview process for the filling of the HSCL Coordinator post.

4. Selection Board

While it is desirable that all schools in the clusters are represented on the interview board, it is advisable not to have more than three people.

Where the HSCL post is shared, the interview board should endeavour to have representation from each school involved in the cluster (i.e. primary, secondary, ETB, community & comprehensive), where appropriate. The make-up of the interview board shall be agreed by the BOM/ETB of all schools in the cluster.

The interview board should reflect gender representation in so far as possible.

It is suggested that the interview board could be comprised of a selection from:

- Chairperson/s of Boards of Management/ETB Representative as appropriate
- Principal/s from relevant school/s
- Other appropriately experienced and knowledgeable individuals.

In advance of the interview process, criteria for assessment, having regard to the appropriate legislation and the requirements of the post of HSCL Coordinator, must be established by the interview board and recorded in writing. Applicants should be notified of the criteria in advance of the interview by someone who is not a member of the interview board.

General functions of the Interview Board

The interview board:

- Conducts the interviews.
- Must ensure that all questions shall relate to the requirements of the post. No questions shall be asked nor information sought in any form from a candidate which might be construed as being discriminatory.
- Must adhere to the provisions of the Employment Equality Acts 1998-2015 and Section 42 of the Irish Human Rights and Equality Commission Act 2014.
- Must not give consideration or weighting to the sector or school in which the candidate is teaching.

5. Outcome of the interview process and notification to candidates

As soon as possible, once the recruitment process is complete, the successful candidate should be notified of his/her assignment and unsuccessful candidates notified accordingly.

The Social Inclusion Unit of the Department of Education and Skills must be notified immediately by the employer (BOM/ETB) or in the case of a shared HSCL post, by the employer of the base school, of the assignment of a HSCL Coordinator by completing the HSCL Assignment Form at Appendix D.

Section Three

Conditions of Service for the HSCL Coordinator post

1. Full-time Teachers taking up the HSCL Coordinator post

Notwithstanding the requirement for flexibility within HSCL, the teacher (with the exception of a Deputy Principal) assigned to the HSCL post will retain their conditions of service in the base school, e.g., the conditions of his/her substantive post in the case of a permanent teacher and the fixed-term contract, in the case of a temporary teacher.

He/she remains employed under his/her original contract of employment with an individual Board of Management/ETB for the duration of his/her duties as a HSCL Coordinator.

The only term or condition of his/her employment that changes on assignment to the HSCL Coordinator role is the nature of his/her duties which are now those of the HSCL Coordinator as set out in Appendix F of this Circular.

2. Teachers, not currently working in a full-time capacity, taking up the HSCL Coordinator post

In the case of teachers who are not currently working in a full-time capacity, the following changes occur for the duration of the assignment to the HSCL Coordinator post:

- full-time HSCL duties must be undertaken
- The nature of his/her duties change to those of the HSCL Coordinator post as set out in Appendix F of this Circular.

3. Eligibility to apply for a post of responsibility in the base school while working as a HSCL Coordinator

A HSCL Coordinator is eligible to be appointed to or continue to hold an Assistant Principal I or an Assistant Principal II post in their school, subject to written confirmation from the employer and the teacher that he/she is satisfied that the roles and responsibilities of the post can be fully discharged.

A HSCL Coordinator is eligible to be appointed to the post of Deputy Principal, but he/she will be required to relinquish the Deputy Principal post (and associated allowance) temporarily, while in the post of HSCL Coordinator or resign from HSCL duties and take up the Deputy Principal post. Where a Deputy Principal relinquishes his/her post temporarily, an Acting Deputy Principal may be appointed in accordance with the relevant Department Circulars (see www.education.ie).

Section Four

Assignment to the HSCL Coordinator post

1. Letter of Assignment

Before taking up the role of HSCL Coordinator, a Letter of Assignment should be issued to the HSCL Coordinator by the Employer (BOM/ETB) (i.e. base school).

The Letter of Assignment which should be signed by the Chairperson of the BOM/Chief Executive of the ETB, should include an Acceptance Slip, which must be signed and dated by the HSCL Coordinator. It is a requirement that the signed Acceptance Slip is returned to the BOM/ETB before assignment to the HSCL Coordinator post.

A copy of the Letter of Assignment and signed Acceptance Slip should be retained with school records and a copy issued to the HSCL Coordinator. A sample Letter of Assignment is included at Appendix C.

The Letter of Assignment should include the following:

- a) confirmation that the assignment to HSCL duties is for a period of a maximum of 5 years only
- b) confirmation that on the expiration of the HSCL assignment, the assigned teacher may, where warranted, return to teaching duties within the school/ETB Region (where relevant) in which he/she was employed, or may have entitlements under re-deployment panels
- c) confirmation that the HSCL Coordinator post is subject to the HSCL allocation to schools by the Department
- d) role of the HSCL Coordinator (Appendix F).

NOTE:- The relevant Tusla EWS Integrated Services Manager or the Department's Inspectorate may request to see a copy of the Letter of Assignment.

Section Five

HSCL – Management and Reporting Arrangements in DEIS Schools

The arrangements described below should be clearly understood by the parties concerned.

Day to day management: The BOM/ETB of the base school, being the Employer, has primary responsibility for application of the terms and conditions of the HSCL Coordinator post. The BOM/ETB may delegate the day to day management and direction of the work of the HSCL Coordinator to the Principal of the base school.

Where a HSCL Coordinator post is shared, it is the responsibility of the BOM(s)/ETB(s) of the schools to come to an arrangement regarding the sharing of the HSCL post. If schools encounter difficulties coming to an agreed arrangement, they should contact their relevant Tusla EWS Integrated Services Manager.

The BOM/ETB of the base school has the primary responsibility for the assignment, however, the HSCL Coordinator should maintain a close working relationship with the Principal/BOM/ETB of the school(s) in the cluster relating to HSCL and in their involvement in the implementation of the school(s) Action Plan(s) for Improvement.

Accountability: The BOM/ETB in each school is accountable for the HSCL work carried out in their school. Where the post is shared, the Principal(s) of the relevant school(s) coordinates the day to day work of the HSCL Coordinator during the time allocated to their school.

Regional/National: It is acknowledged that the formal reporting relationship for the HSCL Coordinator is with his/her Principal and BOM/ETB.

Tusla EWS have the mandated responsibility for the management, development and direction of the HSCL Scheme (and of the School Completion Programme), in line with Department policy. In that context, the professional relationship between local HSCL Coordinators and the relevant Tusla EWS Integrated Services Manager is very important. The EWS Integrated Services Manager mentors, guides and advises schools and HSCL clusters in their work. Contact details for the relevant Tusla EWS Integrated Services Managers are available at Appendix B.

The Social Inclusion Unit of the Department has responsibility for the national allocation of HSCL Coordinator posts and the allocation of DEIS funding. Each school is accountable to the Department in this regard.

Section Six

Guidelines on the use of the Home School Community Liaison (HSCL) Grant

The HSCL portion of the annual DEIS Grant is allocated to provide targeted supports, through the development of collaboration and partnership between the parents and teachers of children, who are at risk of educational disadvantage and early school leaving.

It is a requirement that a minimum of **10%** of the annual DEIS Grant to each school be made available to the HSCL Coordinator for use on HSCL activities. If 10% of the DEIS Grant is not sufficient, the school should use its discretion as to the appropriate amount of funding from the DEIS Grant that should be provided to operate the HSCL service.

Schools must be conscious of securing value for money, in relation to significant purchases of equipment eg. laptops and/or printers. With this in mind, the allocated 10% of the DEIS Grant may only be spent on activities/resources which are directly linked to **parental involvement**, outlined in the school's Action Plan for Improvement and HSCL annual plan.

The HSCL spend must be monitored and directed appropriately and proportionately and utilised to obtain the outcomes as identified in the school's Action Plan for Improvement, which should be reviewed on a regular basis.

The HSCL Grant may be used:-

- To establish and maintain a parents' room, excluding capital expenditure
- To purchase appropriate resources for HSCL activities, in line with the school's Action Plan for Improvement and approved by the school Principal.
- To pay travel expenses to the HSCL Coordinator incurred in the discharge of duties (home visitation, attendance at cluster meetings, Continuous Professional Development (CPD)). National CPD for Coordinators is centrally funded by the Tusla EWS and the Department of Children and Youth Affairs (DCYA). Schools contribute to CPD by covering travel expenses from the school's DEIS grant (*See Department of Finance Circular 05/2017 and Department of Education and Skills Circular 0036/2017 for appropriate rates*).

Claims in respect of subsistence are not allowed.

The advice of the relevant Tusla EWS Integrated Services Manager should be obtained if further guidance is required on HSCL expenditure.

In accordance with Section 18 of the Education Act 1998 the Department requests that schools, other than ETB schools (who are legislated for by the ETB Act 2013), continue to keep record of all activities undertaken, materials and resources purchased with grants. **Accounts of income and expenditure should be retained in the school and be made available, if required, to officers of the Department and/or the Office of the Comptroller and Auditor General.**

In accordance with Section 51 of the ETB Act 2013 the Department requests that ETB's accounts of income and expenditure should be retained and made available from time to time to officers of the Department.

Financial support to schools as an alternative to services of HSCL Coordinator post

If it is not possible for a school to avail of a HSCL Coordinator post due to its geographic location and distance from other DEIS schools, an approved level of financial support issues to the school on an annual basis for the purpose of supporting HSCL activities. Schools may utilise this grant to employ/assign a part-time HSCL Coordinator. This role may not be undertaken by an existing classroom teacher in the school.

Frequently Asked Questions

What is the duration of assignment for the HSCL Coordinator?

A teacher shall be assigned to the post of HSCL Coordinator for a maximum period of 5 years only.

Can a HSCL Coordinator apply to job-share?

As HSCL is a full-time post, HSCL Coordinators must resign from the post of HSCL Coordinator if they wish to job-share. A job-sharing or part-time teacher who wishes to take up the post of HSCL Coordinator must resume duty on a full-time basis.

Can a HSCL Coordinator apply to take a career break?

HSCL Coordinators may apply for a career break absence. However, when the HSCL post holder returns from career break they shall not return to the HSCL post but to their substantive post in the school, where the post is still warranted.

Can the HSCL Coordinator post be filled in the event of an absence (sick leave/maternity)?

When the HSCL Coordinator is absent due to sick leave, maternity, carers leave etc, cover for the absence should be examined on a case by case basis taking into account the possible length of the absence.

Where it is determined that the post must be filled for the period of the absence, the HSCL post is advertised in the school or cluster of schools in line with the procedures contained in this Circular. The base school for the HSCL Coordinator post is automatically deemed to be the base school in which the successful applicant is currently teaching. Substitute cover is provided to cover the absence of the replacement HSCL Coordinator in the classroom.

Where there is no suitably qualified teacher available to fill the HSCL post from within the cluster for such absences, the BOM/ETB should contact their EWS Integrated Services Manager for assistance. If following this no suitable candidate is available to fill the post, the BOM/ETB may, as an exceptional circumstance, allow a suitably qualified substitute teacher, registered with the Teaching Council with two years teaching experience, who is deemed an appropriate candidate, to fill the specialised post of HSCL Coordinator.

Please note that time taken for an absence (including taking up another position on a temporary basis) is included as part of the five year term.

Is the school entitled to appoint a substitute teacher when the HSCL Coordinator is absent due to attendance at Continuous Professional Development?

No, the school cannot appoint a substitute teacher to replace a HSCL Coordinator absent at Continuous Professional Development.

What is the position if a HSCL Coordinator post becomes vacant in the middle of a school year?

If a HSCL vacancy arises during the school year, the post should be filled immediately, in line with the procedures contained in this Circular. The filling of any consequential vacancy is subject to the recruitment/redeployment arrangements in place. The HSCL assignment will be for a maximum of 5 year, concluding on the 31st August of the fifth year.

Where a HSCL Coordinator post is shared between a cluster of schools, who holds responsibility for the post holder?

The responsibility of the HSCL Coordinator lies with the Employer, that is, the BOM/ETB of the base school. For further details, see Section Five of this Circular titled “**HSCL – Management and Reporting Arrangements in DEIS Schools**”.

What is the arrangement for a HSCL post that is shared between schools?

It is the responsibility of the BOM(s)/ETB(s) of the schools to come to an arrangement regarding the sharing of the HSCL post. If schools encounter difficulties coming to an agreed arrangement, they should contact their relevant Tusla EWS Integrated Services Manager. Contact details are at Appendix B.

What is the arrangement for the HSCL Coordinator at the end of their assignment?

At the end of the assignment the HSCL Coordinator must return to a teaching post within the allocation for the school. Where a part-time teacher is successful in being awarded a full-time assignment as HSCL Coordinator, at the completion of the assignment they must take up a part-time teaching post in the school, unless a full-time post is available within the school's allocation or in such case that the teacher has been awarded a CID.

Further enquiries should be e-mailed to the relevant regional Tusla EWS Integrated Services Manager.
