1. I am directed by the Minister for Finance to refer to the announcement in his Financial Statement of 26 June 1975 that all employees outside the scope of PAYE would be brought within that system as soon as possible.

2. The Government have decided that the extension of PAYE should take effect from 6 April 1976 and the necessary arrangements are being made accordingly. The staff representatives have been informed of the position and discussions are continuing with them on certain aspects of the extension.
