The Competition

The preliminary interviews (if any) will be common to both this competition and that for Assistant Principal (standard scale) level posts (reference Circular 18/90). The competitive interview will determine which candidates are fully qualified for appointment. Panels will be drawn up, in order of merit, from the qualified candidates as provided in the scheme. Interviews will be conducted by a board(s) to be set up by the CSC.

[Candidates should note that the interview period is likely to begin in August. Candidates will be asked to indicate on their application forms the dates on which they would be unavailable for interview. However the onus is on candidates to make es available for interview at the time and date specified by the CSC.]

13. In placing in order of merit the candidates considered best qualified for appointment, the CSC will give credit for proficiency in both Irish and English in accordance with paragraph 5 of Circular 43/75 to candidates qualified for the award of such credit on or before 1 November 1990.

Applications

14. Candidates should obtain their application forms from their own Personnel Section. There will be only one application form to cover both this competition and the competition for Assistant Principal (standard scale) level posts. The CSC will supply application forms to Personnel Sections on request. [PLEASE NOTE: APPLICATION Forms WILL NOT BE AVAILABLE From THE CSC UNTIL 1 JUNE 1990.] Applicants will be given a copy of the scheme with their application form. Applications should be addressed to the Head of the Department in which the candidate is serving, to arrive as soon as possible but not later than Thursday 15 June 1990. Where the candidate is on loan, the Head of the Department should transmit the application to the parent Department to arrive there not later than 19 June 1990. Applications should reach the CSC as soon as possible but not later than 29 June 1990. An applicant
who has not heard from the CSC by 30 September 1990 should contact that Office immediately. Applicants from FAS should address their applications to the Secretary, Department of Labour.

15. The Head of the Department should not send candidates’ applications to the CSC unless satisfied that the candidates

* have been satisfactory in general conduct
* are suitable from the point of view of health with particular regard to sick leave; in relation to health and sick leave this Department’s Circular 34/76 must be followed
* fulfil the conditions of eligibility specified in paragraphs 7-11 of this Circular.

16. For each candidate who is being sent forward to the competition, the Head of the Department should send to the CSC an assessment of the candidate’s suitability for promotion on a form to be supplied. The promotion potential form in the relevant schemes of performance appraisal as completed at the last appraisal before the date of this Circular should be used when completing that form. Where a sufficiently long period, say of the order of nine months, has elapsed since the candidate’s appraisal and where there is sufficient reason to believe that the candidate’s performance in the interim period merits a change in the assessment, then a current appraisal should be made.

Appointments

17. Appointments will be made from the panels in accordance with the provisions of the scheme. They will be in an acting capacity for at least one year and will be subject to the usual conditions governing such appointments. In the event of reversion, an officer will return to fill a vacancy in the grade previously held in the Department which sent the officer forward for the competition. The next person on the relevant panel will be appointed to the vacancy thus created provided the reversion occurred before 31 December 1992.
