Circular Ref: 12/2007

Professor Brendan Drumm
Chief Executive Officer
Health Service Executive
Dr. Steeven's Hospital

Addition of a 2nd LSI for Senior Environmental Health Officers to the salary scales effective from 1st June, 2007

Dear Professor Drumm

I refer to Circular 47/97, dated 11 July, 1977 regarding "Agreement on the Pay and Conditions of Environmental Health Officers as provided for in Clause 2(iii) of Annex 1 of the Programme for Competitiveness and Work".

According to the salary scales set out in Appendix 1 of the circular, Senior Environmental Health Officers were due a second long-service increment (LSI) effective from 1 June, 2007. This LSI has been calculated by taking the % difference between the two LSIs for Senior EHOs, cited in the circular, and adding it to the existing LSI for Senior EHOs. The LSI was inadvertently omitted from the 1 June, 2007 consolidated salary scales.

1 st LSI for Senior EHOs (from circular)	£30,991
2 nd LSI for Senior EHOs (from circular)	£31,965
%age difference between the LSIs	3.142847923
1 st LSI for Senior EHOs (from 1 June, 2007 salary scales)	€65,468.40307
%age difference added to 1 st LSI	€2,057.57 + €65,468.4
	= €67,525.97
2nd LSI effective from 01/06/07	€67,526

Any queries in relation to the implementation arrangements for the above circular should be communicated, in the first instance, to Pdraig Kelly or Anne Tighe, National HR and Workforce Planning, Department of Health and Children (tel. 01 6354058/6354705, e-mail: pdraig_kelly@health.irlgov.ie, anne_tighe@health.irlgov.ie).

Finally, it would be appreciated if you could circulate this letter to relevant agencies or bodies under your aegis, as appropriate.

Yours sincerely
