**Re: Student Medical Scientists

I refer to payments made to Student Medical Scientists and Student Environmental Health Officers during their clinical placement year. I wish to advise that this payment is being increased as follows:

Student Medical Scientists - €887.86 per month with effect from 1 Jan 07 - rising to €905.72 from 1 June 07)

Please arrange implementation together with payment of any arrears due as soon as possible.

This rate will be adjusted in line with general pay movements in the future.

This circular replaces that issued on 31st January 2008 (06/2008), which did not specific monthly and weekly amount.
