In accordance with section 3 of the Civil Partnership and Certain Rights and Obligations of Cohabitants Act 2010, it has been decided to extend the terms of the paternity leave scheme to same sex couples. This scheme provides that 3 days’ special leave with pay may be granted at the time of the birth or up to four weeks after the birth.

In the case of adoption, the leave may be taken on or up to four weeks after the date of placement of the child.

Part-time employees should be granted paternity leave on a pro rata basis. It should be noted that paternity leave is granted in respect of each child, for example, in the case of twins the employee is entitled to 6 days’ leave.

The new arrangements are effective from 7th November 2011.

Please bring this to the attention of all relevant managers.
