Subject: HR Circular 034/2017 re Support Staff Interns – Recognition of previous service

Dear Colleagues,

Following on from previous Circular 24/2017 in relation to the appointment of the above grades upon completion of 18 months satisfactory service. I wish to advise that discussions in relation to recognition of previous relevant experience have concluded between the HSE and SIPTU.

I can confirm that agreement has been reached which allows for all previous relevant service including the period spent as an intern will be recognised with effect from 1st July 2017. It is also agreed that there will be no retrospective application of this Circular prior to 1st July 2017.

I would therefore request that you review those affected by this Circular within your area of responsibility and make the necessary revisions.
