8 Pension Entitlement ‘Grace Period’
8.1 Public Service employers are reminded, as already referred to in DoH Circular 17/2015, that for the purposes of calculating pension and lump sum awards at retirement, the pay reductions applied under FEMPI 2013 (Haddington Road Agreement) are disregarded for persons who retire from the public service up to 1 April 2019.

8.2 This ‘grace period’ is provided for originally under Section 9 of the FEMPI Act 2013, and has been extended to 1 April 2019 by S.I. No. 547 of 2015 - Public Service Pension Rights (No. 2) Order 2015.

8.3 The ‘grace period’ protection in respect of the FEMPI 2013 pay reductions will only continue to apply in respect of public servants with post-HRA remuneration in excess of €110,000, who will not have achieved full restoration of the FEMPI Act 2013 salary adjustment until 1 April 2019.

8.4 Public servants who retire during the ‘grace period’ may benefit by having their pensions and retirement lump sums calculated by reference to salary rates which discount the impact of the FEMPI 2013 salary adjustments applying to salaries in excess of €65,000.

8.5 Public servants who retire during the ‘grace period’ are also entitled to have any impact on pay arising from FEMPI 2013 suspension of the operation of a pay scale i.e. increment freeze or delay, discounted in the calculation of their pension and lump sum awards.
