Shortlisting
Normally the number of applications received for a position exceeds that required to fill existing and future vacancies to the position. While a candidate may meet the eligibility requirements of the competition, if the numbers applying for the position are such that it would not be practical to interview everyone, the Public Appointments Service may decide that a number only will be called to interview. In this respect, the Public Appointments Service provide for the employment of a short listing process to select a group for interview who, based on an examination of the application forms, appear to be the most suitable for the position. An expert board will examine the application forms against a pre-determined criteria based on the requirements of the position. This is not to suggest that other candidates are necessarily unsuitable or incapable of undertaking the job, rather that there are some candidates, who based on their application, appear to be better qualified and/or have more relevant experience. It is therefore in your own interest to provide a detailed and accurate account of your qualifications/ experience on the application form.

8. Other important information
The Public Appointments Service will not be responsible for refunding any expenses incurred by candidates.

The admission of a person to the competition, or invitation to undertake any element of the selection process is not to be taken as implying that the PAS is satisfied that such a person fulfils the requirements of the competition or is not disqualified by law from holding the position and does not carry a guarantee that your application will receive further consideration. It is important, therefore, for you to note that the onus is on you to ensure that you meet the eligibility requirements for the competition before attending for interview. If you do not meet these essential entry requirements but nevertheless attend for interview you will be putting yourself to unnecessary expense.
Prior to recommending any candidate for appointment to this position the Public Appointments Service will make all such enquiries that are deemed necessary to determine the suitability of that candidate. Until all stages of the recruitment process have been fully completed a final determination cannot be made nor can it be deemed or inferred that such a determination has been made.

Should the person recommended for appointment decline, or having accepted it, relinquish it or if an additional vacancy arises the Board may, at its discretion, select and recommend another person for appointment on the results of this selection process.
