**22/07/1986 LP:- Revision of the Annual Leave Allowance of certain grades**

All Personnel Officers

Dear Personnel Officer

I am directed by the Minister for the Public Service to say that an agreement has been reached at General Council that the annual leave allowance of the grades of Clerical Assistant, Departmental Clerical Assistant, Communications Assistant and Key Punch Operator (General Council Report 1057 refers) and the grade of Mapping Draughtsman (Report 1058 refers) should be revised with effect from the 1986/1987 leave year.

The existing annual leave of these grades, viz. 18 days rising to 19 after 10 years service, may therefore be revised to 18 days rising to 19 after 5 years service.

Yours sincerely  
P. O Donoghue
