23/02/1994 LP:- Children's Allowance - job-sharing

Dear Personnel Officer

I am directed by the Minister for Finance to refer to discussions which have taken place at the General Council Subcommittee on Equality concerning the arrangements which should apply in relation to payment of children's allowances to staff who are job-sharing. An agreed record of those discussions is attached.

If you have any queries in relation to the implementation of the agreed arrangements, I will be pleased to assist.

Yours sincerely

Cloda Ryan
